

GREECE

Paediatric Respiratory Medicine national training representative responsible: *Dr K. PRIFTIS, Prof. Dr J. TSANAKAS*

Status of national recognition: An application for national recognition of Paediatric Respiratory Medicine was filed at the middle of 1999. The content of the submitted training syllabus is identical with the European version. The application will have to be supported by the Hellenic Paediatric Society to receive approval by the Ministry of Health. Relevant decisions of the ministry are pending.

Scroll down for the full contact details of these training centres.
