

HUNGARY

PRM national training representative responsible: *Prof. Dr K. GYURKOVITS*

Status of national recognition: Paediatric Respiratory Medicine is officially (by ministerial decision) recognised as a subspeciality of Paediatrics. After having completed training in general paediatrics, two additional years of training in all aspects of Paediatric Respiratory Medicine must be conducted; this training is concluded by a board examination.

Scroll down for the full contact details of these training centres.
